RE: Reserving a Room at the County Courthouse for a Public Meeting for the
Medley Farm Site

Dear Mr. Preston:

As discussed over the telephone with you on December 21, 1988, I am interested in reserving either the County Council Chambers or the courtroom for the purpose of conducting a public meeting with respect to the proposed Medley Farm Superfund site. Prior to initiating Remedial Investigation field work at a Superfund site in a concerned community, the Agency attempts to hold a public meeting. The two primary objectives of this meeting are to disseminate information about the role of the Agency and the Remedial Investigation/Feasibility Study (RI/FS) process and secondly, to address any fears or questions voiced by the public.

I would like to reserve either the County Council Chambers or the courtroom for the evening, 7:00PM to 9:00PM, on Monday, January 9, 1989. Please use your judgement as to which room will fulfill our needs. At this time, I am unclear as to how involved and active the public is or wishes to be with regard to the Medley Farm site.

I have sent the enclosed Fact Sheet to all the addressees on the Agency's mailing list. This list includes news media, elected officials, environmental groups, and local residents.

Thank you for your time and consideration to this matter. I will be in contact with you during the week of January 2, 1989 to finalize the details of the meeting. If you have any questions, I can be contacted at 404/347-7791.

Sincerely yours,

Jon K. Bornholm
Superfund Project Manager
